

Application for Community Engagement Funding

Funding Criteria:

For a project to be considered for funding it must meet at least number 1 of the following criteria:

- 1) Benefit a number of Magna residents;
- 2) Improve residents' environment;
- 3) Raise the profile of Magna by working in partnership with our partners in the area;
- 4) Not be included in any other Magna budget;
- 5) Donations may be awarded to local charities or agencies, providing that the services they provide also benefit Magna residents or their children; donations are capped at £500 per application and for five donations in total per year
